A second year Mechanical Engineering student at University of Liverpool, on track to receive a 2:1. Attended a Mace Insight Week, which cemented the fact that I want to work in the construction industry. I am now looking for a one-year placement where I can apply my technical knowledge to finding real business solutions.

EXPERIENCE

Insight Student April 2019
Mace Insight Week

- Visited iconic projects (e.g. Camden Lock Village) to learn about processes.
- CV workshops and mock interviews boosted my confidence in applying.
- Personally asked to apply for their internship programme at the end of the week.

Retail Assistant May 2016 - July 2018
Mountain Warehouse

- Provided excellent customer service in a fast-paced retail environment.
 - Achieved personal sales targets in line with KPI objectives.
 - Other duties included answering telephone enquiries, stocktaking and till operating.
-
